It should demonstrate excellence in writing and clarity of thinking. It is a chance to introduce yourself and describe who you are; what your background is; and what is important to you. More importantly, the statement of purpose is an opportunity for an applicant to describe their purpose in pursuing graduate study; why CUI and a specific program is your preferred choice; what are your reasons for graduate study, what is your plan in pursuing this degree, etc. It should state how well you know CUI and justify your reason for studying at CUI.
