

Commission on Science and Technology for Sustainable Development in the South

REF: COMSATS/2024/ANSO/ FELLOWSHIP

NOTE VERBALE

The Commission on Science and Technology for Sustainable Development in the South (COMSATS) presents its compliments to the esteemed Focal Points in Member States, Centres of Excellence, and members of COMSATS Centre for Climate and Sustainability (CCCS), and has the honour to submit that the Alliance of National and International Science Organizations for the Belt and Road Region (ANSO) in collaboration with the Chinese Academy of Sciences (CAS) has announced the Call for Applications for CAS-ANSO Fellowship 2024.

The aforementioned Fellowship will allow scientists, researchers and international cooperation experts to pay short-term visit to pursue research on site at CAS institutions and universities. The fellowship has been announced under three categories: ANSO Partner Fellowship, ANSO Visiting Scientist Fellowship, and CAS-ANSO Alumni Fellowship. Further details regarding fellowship guidelines, eligibility criteria, financial coverage and procedure for online submission of the applications, are available at following weblink: <http://www.anso.org.cn/ch/ansoxm/ansofellow/>.

The eligible candidates may submit online applications to ANSO Fellowship portal at: <http://www.anso.org.cn/programmes/Fellowship/> under intimation to COMSATS Secretariat at irfan@comsats.org, and farhan@comsats.org. The deadline for online submission of applications is **10th May, 2024**.

The aforementioned information may please be disseminated among relevant scientists, researchers and international cooperation experts.

COMSATS avails itself of this opportunity to convey to the esteemed Focal Points in Member States, Centres of Excellence and members of COMSATS Centre for Climate and Sustainability (CCCS), the assurances of its highest consideration.
