Subject: **International Symposium on the Contribution of ABU ALI SINA to the development of Science Philosophy and Civilization of the world**

Reference is invited to the enclosed self-explanatory communication No. Taj-15/2025 dated April 24, 2025 received from the Ministry of Foreign Affairs regarding the subject cited above.

2. The undersigned has been directed to inform you that the Embassy of the Republic of Tajikistan has announced that the National Academy of Sciences of Tajikistan, in collaboration with the Centre for Avicenna Studies, will organize an International Symposium on **November 4-5, 2025**. The event, titled **"The Contribution of Abu Ali Ibn Sina to the Development of Science, Philosophy, and Civilization of the World"** is dedicated to the 1045th anniversary of the birth of Abu Ali Ibn Sina. The symposium will feature participation from prominent domestic and international scholars and aims to promote global partnerships for future cooperation.

3. The purpose of the symposium is to provide an engaging platform for discussion, knowledge exchange, and the promotion of scientific interests in the fields of Anthropology, Sociology, and the Natural Sciences. (Detailed information on the topic is attached.) You are kindly requested to disseminate this information to all relevant departments to ensure that eligible candidates may take full advantage of this valuable opportunity. Interested candidates are encouraged to apply directly **no later than September 10, 2025**.

4. Please note that Higher Education Commission (HEC) will not provide any financial support for the aforementioned International Symposium

With best regards,

*Embassy of the Republic of Tajikistan
to the Islamic Republic of Pakistan*

C-16/25-7 (244)

The Embassy of the Republic of Tajikistan to the Islamic Republic of Pakistan presents its compliments to the Ministry of Foreign Affairs of the Islamic Republic of Pakistan and has the honor to announce that on November 4-5, 2025, the National Academy of Sciences of Tajikistan together with the Center for Avicenna Studies plans to hold an International Symposium on "The Contribution of Abu Ali ibn Sina to the Development of Science, Philosophy and Civilization of the World", dedicated to the 1045th anniversary of the birth of Abu Ali ibn Sina, with the participation of outstanding domestic and foreign scientists.

The aim of the above-mentioned Symposium is to create an attractive platform for discussion, exchange of knowledge and support of scientific interests in the fields of anthropology, sociology and natural science, development of research relations among universities and scientific institutions, as well as to find world partners for future cooperation.

In this regard, the Embassy kindly requests the esteemed Ministry to convey information regarding this International Symposium to the scientific and higher professional educational institutions and interested circles of Pakistan. Representatives of the scientific circles of Pakistan may send their scientific papers to the organizing committee of the Symposium (detailed information on the topic is attached).

The Embassy believes that the participation of representatives of brotherly Pakistan in the Symposium will add credibility to this event, and taking into account the common history, scientific and cultural heritage, this scientific platform will strengthen scientific and research relations between the two countries.

Information letter

**"The Contribution of Abu Ali Ibn Sina to the Development of Science,
Philosophy and Civilization of the World"**

On November 4-5, 2025, the Center for Avicenna Studies together with the Department of the History of Philosophy, the Institute of Philosophy, Political Science and Law, the Tajik National Academy of Sciences plans to hold an International Symposium on "The Contribution of Abu Ali ibn Sina to the Development of Science, Philosophy and Civilization of the World", dedicated to the 1045th anniversary of the birth of Abu Ali Ibn Sina.

The purpose of this symposium is to provide an interesting platform for discussions, knowledge sharing and support for scientific interests in the field of humanities, social and natural sciences; strengthening research collaboration between universities and academic institutions; as well as providing an opportunity to find global partners for future cooperation.

The symposium, which will be attended by both leading Tajik and foreign scholars, will discuss the contribution of Abu Ali Ibn Sina to the development of science and philosophy in the Persian-Tajik and Muslim cultural spaces; issues of studying the encyclopedic heritage of Abu Ali ibn Sina based on reliable historical and manuscript sources; the development of science and culture in the era of the Eastern Renaissance (X-XI centuries) and the role of Abu Ali Ibn Sina in it; cultural relations between the peoples of the region and the world in the Middle Ages and Abu Ali Ibn Sina's place in them; Abu Ali Ibn Sina's contribution to the formation of the scientific and philosophical worldview in the Near and Middle East; the significance of Abu Ali Ibn Sina's works for modern times, etc.

Articles and reports submitted to the symposium must cover one of the following topics:

- Abu Ali ibn Sina's contribution to the development of world philosophy (ontological, epistemological, epistemological issues, social and political philosophy, anthropology, ethics, logic, scientific methodology);

• Abu Ali Ibn Sina's contribution to the development of natural and mathematical sciences (biology, geology and mineralogy, meteorology, astronomy, mathematics, geometry and music);

• Medicine and psychology in the teachings of Abu Ali Ibn Sina;
• Research of the scientific and philosophical legacy of Abu Ali Ibn Sina in Tajikistan, Central Asia, Russia and the world;

• Abu Ali Ibn Sina and issues of culture, linguistics, history, civilization, legal, physical and moral (spiritual) education of man;

• Abu Ali Ibn Sina and the formation of scientific and philosophical terminology in the Persian-Tajik language and its influence on other languages of the world;

• Pedagogy of Abu Ali Ibn Sina;

• Poetics of Abu Ali Ibn Sina.

Articles are accepted in Tajik, English and Russian.

The volume of the article, including figures, tables, graphs, abstract text and keywords, should not exceed up to 12 pages of computer text. The volume of the abstract is no more than 0.5 pages, keywords are required.

The text should be typed on a computer in a Microsoft Office Word file, font size 14, Times New Roman, spacing 1.5, text margins on all sides - 2.5 cm. Pages must be numbered.

Articles must be submitted no later than September 10, 2025 to the following address: Dushanbe, Rudaki Avenue, 33, Center for Avicenna Studies, Institute of Philosophy, Political Science and Law named after A. Bahovaddinov, National Academy of Sciences of Tajikistan.

Tel.: +9923722213949, +992935055204, e-mail: rnazariev@yahoo.com; Tel.: +992918536050, e-mail: ramazoni.93@mail.ru.

It is expected that the proceedings will be published before the Symposium. The Organizing Committee reserves the right to select articles for subsequent publication.

Participation in the Symposium will be off-line or on-line.

Travel and all other expenses are covered by the participants of the Symposium.
