

Commission on Science and Technology for Sustainable Development in the South

REF: COMSATS/CoE/TUBITAK/2025/

The Commission on Science and Technology for Sustainable Development in the South (COMSATS) Secretariat presents its compliments to the esteemed Focal Points in Member States, and the Centres of Excellence, and has the honour to inform that COMSATS' Centre of Excellence in Türkiye, the Scientific and Technological Research Council of Türkiye (TUBITAK) has invited nominations for the **NANOBIO4CAN**, which is a mobility scholarship program for postdoctoral researchers, aimed at developing Nanobiotechnologies for Innovative Therapeutic Approaches in Cancer.

The afore-mentioned program is financially supported by the European Research Executive Agency and co-funded by TÜBİTAK under the HORIZON-MSCA-2022-COFUND-01. Further details regarding the program are mentioned in the enclosed documents as well as the official website: <https://nanobio4can.net/>

The esteemed Focal Points in Member Countries, and the Centres of Excellence, are invited to nominate relevant scientists and researchers for participation in the afore-mentioned program. For further information, the following official can be contacted: Dr. Didem Taşcıoğlu (email: didem.tascioglu@sabanciuniv.edu) under intimation to the Secretariat (farhan@comsats.org and irfan@comsats.org). The deadline for applications is **28th February 2025**.

COMSATS avails itself of this opportunity to convey to the esteemed Focal Points in Member States, and Centres of Excellence, the assurances of its highest consideration.
