**Subject: Invitation to participate in 3<sup>rd</sup> International Mathematical Olympiad for  
Undergraduate Students – May 2025, Urgench, Uzbekistan**

Dear Colleagues,

I hope this message finds you well. I am pleased to extend a special invitation for your university to participate in the 3rd International Mathematical Olympiad for Undergraduate Students, which will take place from May 26-31, 2025, at Urgench State University in Uzbekistan.

Urgench State University is set to host approximately 100 teams from around 50 countries, each team consisting of one faculty member and 3 or 4 undergraduate students. The competition will follow the format of the International Mathematical Olympiad (IMO), with both individual and team-based components.

The Urgench State University is generously covering all local expenses for participating team members, including accommodation, meals, transportation, and tours of Khiva and Urgench. For additional details, please visit the official website: <https://akhimo.urdu.uz>.

I am reaching out to ask if you or your colleagues in the mathematics department would be interested in forming a team to participate in this prestigious event. You may also consider applying for internal funding to cover round-trip airfare to Uzbekistan.

Should you have any questions or require further information about the Olympiad, logistics, or the application process, please feel free to reach out to me. I look forward to your response and hope to see your university represented at this exciting event in Uzbekistan!

Best regards,
