Note:

1. Students enrolled in the **Bachelor of Science in Business Administration** program have the flexibility to choose to pursue one or two additional minors or even opt for a second major as per the scenarios stated below. These minors and majors can be selected from any category of courses recognized as minors or majors by other programs offered at their respective CUI campus. This choice must adhere to the established rules and regulations of the University.

a) **Scenario 1 - Single Major (130 credits):**
   This scenario centers on a single major, demanding a minimum of 130 credits for completion. This breakdown includes 30 credits for General Education, a minimum of 82 for the major, 12 for interdisciplinary studies, and 3 each for Field Experience and the Capstone Project.

b) **Scenario 2 - Single Major with Minor (142 credits):**
   In this case, a single major is accompanied by a minor, requiring a minimum of 142 credits in total. The components encompass 30 credits for General Education, a minimum of 82 for the

major, 12 for interdisciplinary studies, and 3 each for Field Experience and the Capstone Project. Additionally, a 12-credit minor complements the major, fostering broader skills.

c) **Scenario 3 - Single Major with Two Minors (154 credits):**
Here, a single major is augmented by two minors, totaling a minimum of 154 credits. The distribution consists of 30 credits for General Education, 82 for the major, 12 for interdisciplinary studies, 3 each for Field Experience and the Capstone Project, and two minors with 12 credits each.

d) **Scenario 4 - Double Major (192 credits):**
This scenario involves pursuing two majors, necessitating a minimum of 192 credits. The components comprise 30 credits for General Education, 72 for each major, 12 for interdisciplinary studies, 12 for Field Experience, and 3 for the Capstone Project.

2. The official nomenclature for the Associate Degree program is **'Associate Degree in Business Administration (AD BA)** entails a requisite commitment of no less than two years, spanning four semesters, and encompassing a minimum of 60 credit hours. Within this structure, 30 credit hours are designated to the domain of General Education from the courses as listed under **General Education Courses above,** while an equal allocation of 30 credit hours pertains to the specialized field of **Business Administration** chosen from the courses listed under the **Major Discipline Courses.** The condition precedent for the satisfactory culmination of this program is the attainment of a minimum Cumulative Grade Point Average (CGPA) of 2.00. Subject to permission from respective accreditation council, if applicable.

3. The study of the Holy Quran and teachings of Sirat un-Nabi (P.B.U.H) courses will constitute a mandatory component of the curriculum for all undergraduate degree programs. These courses will be conducted using a hybrid mode of instruction across the CUI System. Upon successful completion of each course, students will receive a certificate endorsed by the Head of Department (HoD).
