October 21, 2024

Subject: **2nd Session of Pakistan and Mexico Joint Ministerial Commission**

In reference to subject matter cited above, it is apprised that the 2nd session of Pakistan Mexico Joint Ministerial Commission is expected to be held shortly. The objective of the Joint Ministerial Commission (JMC) to explore and strengthen the cooperation among both countries in fields of trade, economy, education, science, and technology.

2. In line with this forum, the Higher Education Institutions (HEIs) are encouraged to explore opportunities for establishing or enhancing academic and research collaborations with their Mexican counterparts. Please share any proposals for potential partnerships in these fields. Besides that, kindly nominate and share the contact details of focal person from your end. Please submit the proposals along with action plans latest by November 05, 2024, at following email address: sidwazir@hec.gov.pk.

With best regard.
