The Embassy of the United Arab Emirates presents its compliments to the Ministry of Foreign Affairs of the Islamic Republic of Pakistan and has the honour to inform that Abu Dhabi Future Energy Company "Masdar" has invited the university students to participate in the Future Sustainability Leaders (FSL) program 2025.

The Future Sustainability Leaders (FSL), a global initiative of Youth 4 Sustainability (Y4S) by Masdar, is a year-long program that connects university students and young professionals with global business leaders, policymakers and technology pioneers, to help them learn the latest sustainability best practices by providing core knowledge, skills training, genuine work experience and networking skills through events that take place over a 12-month period. And has invited talented students from around the globe to submit their e request on <https://masdar.my.site.com/Y4SSA/> not later than 6th November 2024 (Invitation letter attached).

For further information or queries regarding this process, Y4S team can be contacted directly at Y4S@masdar.ae

The Embassy will highly appreciate if the esteemed Ministry would kindly convey the same to the concerned authorities/institutions in the Islamic Republic of Pakistan at the earliest.

The Embassy of the United Arab Emirates in Islamabad avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Islamic Republic of Pakistan the assurances of its highest consideration.

Invitation to participate in the Future Sustainability Leaders program 2025

Youth 4 Sustainability (Y4S) - Masdar's global initiative developing the sustainability leaders of tomorrow - invites all UAE universities to participate in the seventh edition of the Future Sustainability Leaders (FSL) program, a key pillar of Masdar's Y4S platform.

Held under the patronage of His Highness Sheikh Khalid bin Mohamed bin Zayed Al Nahyan, Y4S invests in and actively supports the development of our most valuable asset, our young people, with the objective of enabling them to become the sustainability leaders of tomorrow.

The year-long FSL program is designed to educate and empower university students and young professionals to become the next generation of sustainability leaders capable of carrying forward the global sustainability agenda.

Offering participants hands-on experiential learning, self-paced studies of comprehensive content, and unique networking opportunities, FSL equips young people with key the skills to succeed in the green jobs of the future in an ever more digitally advanced and complex world.

FSL participants will have the opportunity to participate in Abu Dhabi Sustainability Week (ADSW) 2025, the region's largest sustainability gathering. At ADSW, participants can interact with the Y4S Sustainability Hub, a dedicated space to educate, empower and inspire youth, which attracts around 3,000 students over the course of the week, and hosts high-level national and international delegates.

The Y4S Forum, which takes place at the Hub, is a three-day youth-led program aimed at exploring ways for young people to play an active role in the implementation of the UAE national agenda and the United Nations Sustainable Development Goals.

Since the launch of Y4S in 2016, more than 800 members have graduated from its programs.

FSL participants must commit to the year-long program and comply with the following:

- Be a UAE national or international student aged between 19 and 35
- Hold an undergraduate degree, or be pursuing one, at an accredited institution (open to all majors)
- Have excellent spoken English
- Submit a statement demonstrating interest in sustainability-related fields
- Complete the online application form before **Wednesday, November 6, 2024.**

Future Sustainability Leaders roles and responsibilities:

- Complete the SkillUp Series online learning units
- Attend all Virtual Series webinars and events throughout the year, such as Abu Dhabi Sustainability Week, etc.
- Participate in the Y4S Innovation Lab through the Ecothon Innovation Challenge
- Help promote the FSL program through your social network, when applicable
- Work Collaboratively and under pressure
- Have a positive attitude and be a 'people person'
