

LearnOBots is a dynamic and innovative educational institution committed to fostering creativity, critical thinking, and interdisciplinary learning. We believe in preparing the next generation for the challenges of the 21st century by offering comprehensive STEAM education that combines Science, Technology, Engineering, Arts, and Mathematics.

Position: STEAM Trainer

Job Type: Full Time - Permanent

Location: Rawat, Islamabad

Key Responsibilities:

- Teach, Train and conduct workshops for early years' students on the domains of STEAM
- Design and deliver engaging STEAM lessons and workshops that encourage creativity, critical thinking, and problem-solving skills.
- Foster a collaborative and interactive learning environment where students can explore, experiment, and apply concepts across disciplines.
- Develop age-appropriate curriculum and learning materials that align with the educational objectives and needs of the students.
- Integrate technology, arts, and real-world scenarios to enhance the students' understanding of complex concepts.
- Provide guidance and mentorship to students in various STEAM projects and activities.
- Stay updated with the latest advancements in STEAM fields and incorporate relevant topics into the curriculum.
- Collaborate with fellow educators and staff to continuously improve teaching methods and program outcomes.

Qualifications:

- *School Teachers with Tech-Background and Early Years Teaching Experience* or School Teachers who have experience teaching ICT and CS subjects to early years' students in schools.
- Qualified KG teacher with prior experience with early years' kids would be a PLUS
- Bachelor's or Master's degree in a STEAM-related field (Science, Technology, Engineering, Arts, Mathematics) or equivalent.
- Proven experience as a STEAM educator, trainer, or instructor.
- Strong passion for education and a deep commitment to inspiring young minds.
- Excellent communication and presentation skills, with the ability to convey complex ideas understandably.
- Ability to create fun and educational STEM-based activities for Early Years students
- Proficiency in using technology and software relevant to the STEAM fields.
- Creativity, adaptability, and a willingness to explore new teaching approaches.
- Strong organizational skills and the ability to manage multiple tasks effectively.
- Experience working with diverse student populations is a plus.

What We Offer:

- An innovative and collaborative work environment
- Medical Insurance for Employees & their families.
- Opportunities for professional growth and development
- Competitive compensation package
- Access to state-of-the-art facilities and resources
